EDUCATION

2025 - PRESENT
PROJECT MANAGEMENT PROFESSIONAL

2025 - PRESENT
A2 CERTIFICATE OF COMPETENCY

2002 - 2006
BACHELOR OF ARTS - ARCHITECTURAL STUDIES (HONS.)

WORK EXPERIENCE

2006 - 2008
Pyramid Design Consultants
Kingston, Jamaica

JUNIOR ARCHITECT
Assisted with the design, drafting and development of several residential and civic projects. Collaborated with Lead Architect to create detailed drawings and 3D models using multiple software packages. Participated in client meetings and site visits to ensure design intent aligned with expectations.

2008 - 2010
Pixel 3D Studios
Kingston, Jamaica

ARCHITECTURAL VISUALIZER
Developed high-quality 3D visualizations, and walkthrough animations to communicate design concepts for several architectural projects.

2008 - 2009
Plexus Ltd.
Kingston, Jamaica

WORKSHOP TUTOR (Part-Time)
Conducted workshops on 3D modeling, and lighting techniques. Guided participants through varying project scenarios, fostering creativity and technical skills while providing personalized feedback to enhance their proficiency in 3D creation and visualization.

**2010 - 2014**
Pixel 3D Studios
Kingston, Jamaica

SENIOR ARCHITECTURAL VISUALIZER
Managed a small team of Focus Model Architectural Artists to ensure project accuracy. Utilized tools like 3ds Max & V-Ray and the Adobe Suite to deliver photorealistic visuals.

❝ *Small daily improvements over time lead to stunning results."*

- Robin Sharma

SKILLS

Revit

Unreal Engine

3ds Max

ArchiCAD
